

gastronomy

the art and science of food

“A thrilling combination of textures and flavours, including deft Asian as well as European technique ... clearly the best in the day.”

Good Living, The Sydney Morning Herald.

“Voted in the top five caterers in Sydney and Melbourne.”

The Financial Review.

In a world where many companies try to be every thing to every person, Gastronomy has a singular and passionate dedication: the best possible food and service. From conferences to gala dinners, from boardrooms to cocktails, awards such as Venue Caterer of the Year, Boardroom Caterer of the Year (four years in a row!) and Service Business of the Year are underpinned by Gastronomy's vision of quality and creativity.
